

(See chart on back of page for dimensions and ordering number.)

The METTLER TOLEDO Xpress XRM Economy Price Computing Scale gives you the accuracy, consistency and reliability you need in a retail scale. With basic functions such as tare, zero, by-count and PLU, this scale is easy to use and requires minimum maintenance. Its small footprint saves counter space and optional battery power extends the scale's versatility outdoors. Plus, the XRM's rugged frame and sleek profile make it an ideal candidate for any counter. The XRM is an economic solution for almost any basic retail application.
